LOI.....	0.11 %	
Retained at 200 um.....	0.30 %	2.0 % max.
Passing at 45um.....	54.9 %	50-60 %

Storage instruction:

Please store the product in a clean, dry storage area and protect it from moisture with PE-foil.

MgO rapidly attracts moisture from air and forms lumps.

Always re-seal full, partly used pallets and single bags with PE-foil.

TIMAB Magnesium

Please note:

This certificate is only valid, if the above mentioned batch number corresponds with the batch number marked on the bags.
